Starting with the initial September 1990 issue of *Recovery Times*, I authored approximately 150 articles on various mental health issues, book reviews, interviews, and program stories in addition to editing all other articles and published copy (1990 to 1993).

### **Memphis Health & Fitness Magazine**

In 2000-2001 I coauthored about 15 articles in this publication on mental health.

### **Mysterious America & AP Magazine**

From 2001 to the present I have written several hundred articles for these publications, some in print, others only on the websites.

### **Venture Inward, Atlantis Rising, & Ancient Mysteries**

I have published dozens of articles for *Venture Inward Magazine* and the *Ancient Mysteries Newsletter* of the ARE. I also have about a dozen articles published in the print versions of *Atlantis Rising Magazine*.
